# Columban Mission Institute

**T**he Columban Mission Institute is a work of St. Columban's Mission Society. As part of the missionary outreach of the Catholic Church, we bring the lived experience of mission in other countries to the Australian Church and to the wider community.

We are committed to the mission of Jesus Christ to bring about the Kingdom of God and as such, we carry out evangelization as "Good News" to the world.

The Institute achieves its aims through the collaborative operation of its four Centres.
