

Evangelising Mission of the Church

MS110/MS410

6-7 March 2010
27-28 March 2010
15-16 May 2010

WHY STUDY THIS COURSE? Learn how the understanding and practice of mission has evolved over the centuries. Appreciate Vatican II's shift from mission as the Church's task to mission as God's plan and action in the world. Learn to read the "signs of the times" in order to cooperate with God's purposes for human and planetary flourishing. Discover new expressions of mission that are relevant to today's world – proclamation, dialogue, peace and reconciliation, liberation, justice and ecology.
