

Missiology offerings at BBI

Mission lies at the heart of the Church. It is the Church community's very reason for being. In response to the Church's call to all to be involved in a renewed effort at evangelisation, BBI in partnership with the Columban Mission Institute is developing its missiology offerings to support dedicated people wherever their mission lies, locally or globally.

Whether you are called to minister at home or abroad, working in leadership, pastoral work or education, BBI is able to provide units designed for effective missional engagement.
