

BUILDING HOPE

2024 COLUMBAN MID-YEAR APPEAL

Columban Fr Tony Coney reports from Peru, we accommodate 400 children daily at St Bernadette's Children's Centre. A lot of work involved throughout the year, but seeing the joy on the faces of the children certainly makes it all worthwhile, along with seeing the way so many have been able to advance in their studies, etc. Behind all this is the desire to promote the human rights of children in all aspects, including health, education, protection, identity, and one of their most essential rights of all, the right to play.
