

SUPPORT COLUMBAN MISSION

# 2025 Columban Christmas Appeal

Dear

Around our planet, many people were unable to celebrate Christmas and New Year's as they have in years past. Why? Because they have been struck by natural disasters. These disasters are becoming more frequent and more severe due to changes in our climate, caused in large part by human choices and actions.

For us Columban missionaries, this means standing beside families striving to recover from the devastation of hurricanes, tornadoes, and floods, especially in Pakistan, the Philippines, Myanmar and Fiji. Many of these communities show extraordinary resilience. They rebuild their homes using local materials. They endure long months with very little while waiting for their crops to return. Yet, in this moment, they are reaching out for our help.

So once again, we appeal to you. **You - our supporters, friends and donors** - make it possible for us to live out our missionary calling. With your generosity, we can continue to accompany and support those who are in desperate need around the world.

To donate to the Columban Christmas Appeal, please donate online at [www.columban.org.au/donate/mission-appeals](http://www.columban.org.au/donate/mission-appeals) OR return the attached coupon in the enclosed reply-paid envelope.

May this New Year 2026 bring you and your loved ones good health, peace and happiness.
