

# PRAYER FOR MISSION

## **A Prayer for Mission and Generous Hearts**

Gracious and loving God,  
You call us to cross boundaries in faith, hope  
and love.

Bless the Columban mission and all who  
support it with generous and compassionate  
hearts.

May the gifts we share bring comfort to the  
poor, dignity to the forgotten and hope to  
communities in need. Strengthen missionaries  
and lay partners who serve each day faithfully.  
Guide us to be courageous witnesses to your  
mercy in today's world. Unite us in solidarity  
with those on the margins and deepen our trust  
in your providence.

We entrust this mission and all who sustain it  
to your loving care.

Amen.
