

## Plastic Free July Prayer

Dear God,

Let us pray for our earth.

Currently, it is not the perfect place that  
you meant it to be.

Give us the guidance to cultivate and nurture it, as  
stewards of Your creation.

Give us the power to cease polluting our waters with  
plastic, so that we can sustain the lives of  
our beautiful and diverse ocean creatures.

Give us the strength to fight for Your environment,  
as You intended.

Amen.

(Matilda, Year 10)
