## Plastic Free July Prayer

Dear God,

Thank You for our oceans, rivers and land.  
We thank You for the beauty of the earth and  
all its natural wonders.

Give us strength to help us to strive for a cleaner,  
more sustainable and healthier world.

Help us to use less single-use plastic, practice  
sustainable habits and restore the earth which  
we have misused.

Fill us with the love for the nature around us and  
gratitude for what we are so lucky to have.

Amen.
